KA1 Vocational Education Training Project in «Spanish Pro Football-Sport Management»

SPAIN

the project

Spanish Pro Football - Sport Management is a sports development consultancy specialising in management, coordination and implementation of football projects aimed at optimising and managing activities and sports facilities.

The training academy includes technical school, training, and the management of tournaments. We give a complete service to our customers.

SPF Academy: school of high performance sport training, is based in Valencia. We welcome young football players from different countries and we create a personalised program, combining different services related to physical preparation and training in the field. We also integrate our Academy players into different Spanish clubs, which supports the progression and improvement of each player.

All of this is combined with specific sports training and language, participants will have the opportunity to visit different top Club academies and Stadiums of "La Liga teams" where many major matches take place.

the project place Valencia

Valencia is on the east coast
by the Mediterranean sea.

Valencia is the third-largest
city in Spain after Madrid
and Barcelona, with around
800,000 inhabitants.

There are supermarkets,
markets, shops and
shopping centres. There's
a supermarket next to the
hotel.

The city has a good public
transport system, there's a
metrostation right opposite
the hotel in Manises that

takes into Valencia city centre
in 15 minutes.

There are many interesting
places to visit such us:

- The City of Arts & Science
- Bio Parc
- L'Oceanogràfic
- Seaside/ Port

The most famous yearly
celebration in Valencia is «Las
fallas» in March. The name
refers to both the celebration
and the monuments burnt
during the celebration.
