

EVERYTHING IS
POSSIBLE®

Turing project at Mount Pleasant Academy JAMAICA

the project

Mount Pleasant Academy is a unique educational institution created to unearth and holistically develop talented youth football players by providing a safe environment to learn and hone train.

Volunteers would be required to assist with hands-on football training as well as impart tactical

knowledge to help players improve. They will be expected to join individual and group training sessions to observe, lead and provide feedback where necessary.

They may also be asked to travel with the team to games. We also welcome any other input/advice based on their varied expertise.

For more info, watch Henry's video:
<https://bit.ly/JamaicaLT>

accommodation and meals

Volunteers can be housed in one of our staff cottages located on campus. The cottage consists of 2 bedrooms and 2 bathrooms as well as an adjoining living and dining area, kitchen and laundry facilities.

Volunteers would be responsible for their own meals however on training days lunch will be provided by the academy. This consists of mainly Jamaican cuisine.

the hosting organisation

Name: **Mount Pleasant Academy**
Mentor: **Yanique Grant / Vanie Clarke**
Website: www.mountpleasantacademyja.org

For more information and testimonies visit Everything is Possible website or scan this QRcode

the project place

Runaway Bay St. Ann

We are located on the north coast of Jamaica in the parish of St. Ann. This is in close proximity (approx. 30-40mins) to the tourist town of Ocho Rios and there are many beautiful attractions such as Dunns River falls, Mystic Mountain, Dolphin Cove, Konoko Falls etc.

There are also many restaurants, supermarkets and shops to purchase meals or ingredients for meals.

Location

The country

Climate: Tropical climate 25–30 degrees. Expect rain in October and possibly May. Hurricane season July to October.

System of Government: Parliamentary Democracy, Constitutional Monarchy
